

### Great Falls Buffalo Hunt

These buffalo were a fundraiser for the CM Russell Museum in 2005. There were 26 buffalo and 4 calves that were painted by local artists then auctioned, not all of them are still in Great Falls. The following is a list of the ones that we know where they are located. If you find some that are not on our list please call us and let us know where you found one. (406) 761-4434 Thank You
